**Re: Notice of Mass Separation, WARN NOTICE**

Dear Ms. Long:

This letter is to advise the Indiana Department of Workforce Development that PROMPT Medical Transportation, Inc. dba PROMPT Ambulance Service, Inc. plans to effectuate a "mass separation" under the Worker Adjustment and Retraining Notification Act ("WARN"), which will result in the separation of a number of employees at all their Lake County facilities. The reason is the business is closing because of retirement.

It is anticipated that the separations will be permanent with their separations beginning sixty (60) days from today; or approximately **October 29, 2017**. The separations are expected to be done in phases and totally completed by December 31, 2017 if not earlier. These separations will affect approximately 140 employees of Prompt Ambulance Service. A list of those employees is attached.

For further information, please contact me.

Sincerely,

Gary T. Miller
